**University City Community Vision 2040
Focus Group Schedule
June 15 – 18, 2022**

Community Vision 2040 is a broad-based and inclusive community visioning process for the City of University City. Join your fellow neighbors and community members in discussions about the long-term potential and prospects for University City by participating in a Focus Group that addresses a specific key topic that has been determined through the visioning process as important to the future of the City. The Community Vision 2040 will serve as an important foundation for the upcoming comprehensive planning process.
