

## THINK-TANK WORKSHOPS

Monday, July 17

3:00pm - 6:00pm

Tuesday, July 18

9:00am - 12:00pm

The City of Littleton has embarked on a comprehensive economic development strategy (CEDS) initiative to position the City on a continued path of an economically diverse, resilient, and vibrant economy that allows people of all backgrounds to live, work, play, and visit. One of the initial steps in this process will be a two-part Think-Tank. Participants will explore emerging macro trends, key economic drivers shaping the city's future, and craft a series of plausible future scenarios. This will be an engaging and interactive scenario-planning workshop that takes place over two sessions. Learn more about these important conversations and register to join at the link below. Note that registration is required to attend.
