Lorain County Community College 1005 Abbe Rd N, Elyria, OH 44035

The Lorain County Strategic Action Plan process will be used to guide Lorain County organizational leadership in their planning over the next 5 years. The objective of this strategic planning process is to build on Lorain County's current success and incorporate new actions to maintain and enhance this success over the next 5 years. This planning work will be undertaken from August 2023 through April 2024. One of the initial steps in this process will be the Lorain County Strategic Action Plan Think-Tank. The Think-Tank will explore emerging macro trends, key drivers shaping the future of Lorain County, and craft a series of plausible future scenarios.

We are inviting your participation at the Lorain County Strategic Action Plan Think-Tank Workshop. This will be an engaging and interactive scenario-planning workshop that takes place on October 30 and 31, 2023.
