TROTWOOD
GROWING TOGETHER

LAUNCHING THE COMMUNITY COMMUNICATIONS STRATEGY AND TOOLKIT

The City of Trotwood invites you to help celebrate the culmination of the Community Communication Strategy project.

This six month process included a Project Launch event, Communications Survey, and five Focus Group sessions. The project's outcome is the production of an extensive and robust Communication Strategy and Toolkit. The City of Trotwood will use the Strategy and Toolkit as a guide to **improve its communication and relationship with the Trotwood community** going forward.

Please join us at the Future Summit on February 5, 2024!

This celebratory session, which we encourage all Trotwood community members to attend, will **officially launch the Communications Strategy and Toolkit**. Join us to see what you can expect for the future of City Communications!

Learn more about the project and register for the Future Summit at www.trotwoodspeaks.com. Registration is encouraged but not required.
