AGENDA

Please note that the contents of each session will be the same but two sessions are being facilitated to meet the needs of the community members' schedules. We are hosting the sessions on a weekday evening and weekend morning.

10 minutes Registration and Welcome (David Beurle, Future iQ/ Leslie A. Westmont, Department of Military Affairs)

10 minutes The Madison-F35 Community Connection Project to date; purpose of the Community Collaboration Session; highlighted topics to be addressed (David Beurle)

5 minutes Panel Members Introductions

- Leslie Westmont; Wisconsin Department of Military Affairs
- Col. Bart Van Roo; 115th Fighter Wing
- Col. Ben Gerds, 115th Fighter Wing Operations Group
- Chris "Desi" Arenz; Badger Air Community Council

50 minutes *(10 minutes per topic)* Facilitated Panel Discussion – highlighted topics from the Survey and Community Listening Sessions (David Beurle and Panel Members)

1. Flight patterns and schedules
2. Noise mitigation for homes, workplaces and schools
3. Community and national benefits
4. Stronger collaboration between the community and 115th Fighter Wing
5. Any other items

10 minutes Audience Q&A with Panel Members (David Beurle)

5 minutes Next Steps
