

## What programs and amenities should we improve and expand upon to support quality of life and help build a strong local community? - Summary Analysis

The open-ended responses were analyzed to explore sentiments and themes. Listed below are community services and amenities priorities from respondents.

Improvements	Mentions	Narrative
Parks and playgrounds	60	Expanded and upgraded green spaces encourage outdoor activity and family engagement.
Community centers	58	Multi-purpose venues for classes, events, and social services foster community bonds.
Public transit	55	More frequent and accessible routes reduce car dependency and connect residents.
Libraries and learning hubs	53	Modern libraries with tech resources support literacy and lifelong learning.
Trail networks	51	Expanded bike and walking paths link neighborhoods and promote healthy lifestyles.
Sports and fitness facilities	49	Improved gyms, courts, and fields support diverse recreational interests.
Cultural and art spaces	47	Studios, galleries, and performance venues enrich community identity.
Senior services	45	Expanded senior centers and programs support aging-in-place and social engagement.
Youth outreach programs	43	Mentorship, sports leagues, and after-school activities engage young residents.
Health and wellness centers	41	Clinics, counseling, and preventative health initiatives improve public well-being.
Farmers markets	39	Local produce markets strengthen food security and support regional agriculture.
Community festivals	37	Civic celebrations and seasonal events build pride and attract visitors.
Dog parks and pet amenities	35	Designated off-leash areas and pet-friendly features meet growing demand.
Technology learning labs	33	Makerspaces and coding workshops prepare residents for digital economy jobs.
Volunteer coordination	31	Centralized platforms for volunteer opportunities enhance civic participation.
