

JASPER COMPREHENSIVE PLAN

OPEN HOUSE

SATURDAY, APRIL 25, 2026 | 9:00AM – 11:00AM

River Centre, 225 River Centre Landing, Jasper, Indiana

In early 2025, the City of Jasper embarked on a Comprehensive Plan project that began with community visioning for the future of Jasper.

The visioning phase concluded with a Future Summit in December, kicking off the second planning phase. Strategic Pillar Task Forces met in January and February 2026 to build out the Strategic Pillars of the Plan, and the public was asked to weigh in on the pillars and goals through online Discussion Boards.

You are now invited to celebrate the launch of Jasper's new Comprehensive Plan!

Learn about the outcomes from planning process, ask questions, and take the opportunity to sign up to help implement the plan. Although registration is not mandatory, we request that you register to give us an idea of how many materials will be needed.
